Dear Sir,

### **Report of Christmas gift 2007.**

You sent E 500.00 to assist the people of Mtendere at Christmas this year, 2007. The news was received with great joy. This money assisted us to buy some bags of rice, maize and goats which the people share to go and celebrate with their families. All of them were very thankful, saying that they had never seen such before.

Below are pictures of the sharing.

Thank you so much.

Fr. A. Boniface, CSSp
