Dear Friends,

APPRECIATION

The people of Our Lady of Peace Parish send you warm greetings. It is our hope that you are all keeping fine.

On behalf of this parish I write this letter in appreciation of all the help you have rendered to us. For now three of our villages are assured of good drinking water through your aid. We also thank you for providing us with € 400:00 to assist our people in time of hunger. When this money is used we shall send you reports of it.

We also assure you of our prayers. May God continue to bless you in your work of caring for others. Cao!

Sincerely your,
Agbo Boniface, C.S.Sp.
(Pastor of the Parish)
